On the following page, list, describe, and state the fair market value of transferred properties. The description and fair market value of the consideration received has to be shown opposite the related property transferred. Where the transferred property is a partnership interest, attach a schedule of the calculation of the adjusted cost base. If space on the form is insufficient, attach schedules giving similar details. You have to designate the order of disposition of each depreciable property. With this election you do not have to file the following materials: schedules supporting this designation, documentation relating to the responses to the questions below, and a brief summary of the method of evaluating the fair market value of each property transferred. However you have to keep them as the Canada Revenue Agency may ask to see them at a later date.

## Informative notes

- The rules for section 85 elections are complex. Essential information is contained in Information Circular, IC76-19 and Interpretation Bulletins, IT-169, IT-291, and IT-378.
- Complete all the information areas and answer all questions. If this form is incomplete, the Canada Revenue Agency may consider the election invalid, and subsequent submissions may be subject to a late-filing penalty.
- If the agreed amount exceeds the adjusted cost base of the property in the election, you must report the difference as a capital gain, as income or a combination of both, whichever applies.
